HAND AND BODY PROTECTION

About Madrigal

Headquartered in Sialkot, Pakistan and serving retailers and brands globally. Madrigal is a customer centric company dedicated to providing quality and value in every product we manufacture. We have made it our duty to continue designing and developing new products that meet our customers' demands.

Madrigal has been serving the needs of our clients since 1978. We work closely with our customers to ensure their needs are being met while providing them with the highest levels of service and professionalism available.

What we do

Madrigal is a factory that strives for perfection in manufacturer and supplying products for brads,retailers, wholesalaers and other businessness according to their specifications and desings. Also, we offer our wide range of products and designs from which our clients can choose from.

Our Mission is to become a leader in the manufacturing market and to establish our name as a symbol of quality and perfection.

Our Vision is that zero compromise of quality and sophistication of our products and offering competitive prices of our goods is a ladder that we have to climb in order to accomplish our mission.

Contents

Abrasion Resistant Gloves	01

Abrasion Resistant Gloves : OI

MS-AR-006

Application : Constructions, Farming, Parts handling, Maintenance.

Description : Synthetic leather palm
Kevlar blended material reinforced palm and fingers of glove
TPR impact protection
Ventilated fabric shell

MS-AR-001

Application : Constructions, Farming, Parts handling, Maintenance.

Description : Split leather reinforced palm covering all finger tips,
TPR impact protection
Ventilated fabric shell
Sweat absorbing thumb

MS-AR-002

Application : Constructions, Farming, Parts handling, Maintenance.

Description : Goat leather palm
Reinforcement covering full fingers
TPR impact protection
Reflective wrists
Ventilated fabric shell

MS-AR-003

Application : Constructions, Farming, Parts handling, Maintenance.

Description : Synthetic leather palm
Reinforcement covering finger tips and most wearing area of glove
TPR finger protection
Knuckle padding
Reflective stripes
Ventilated fabric shell

02 : Anti Slip Gloves

MS-AS-005

Application : Manufacturing, Box handling, Gardening, Mechanics.

Description : Synthetic Leather Palm
Anti slip Silicone pattern
TPR impact protection
Ventilated fabric shell

MS-AS-002

Application : Auto mechanics, Manufacturing, Oil & Gas industries.

Description : Synthetic leather palm
Anti slip silicone pattern
TPR impact protection
Ventilated fabric shell

MS-AS-001

Application : Auto mechanics, Manufacturing, Oil & Gas industries.

Description : Synthetic leather padded palm
Anti slip silicone pattern
TPR impact protection
Thumb & index finger reinforcement
Ventilated fabric shell

MS-AS-003

Application : Oil & Gas industries, All works require a lower level of cut & heat resistance, Auto mechanics, Manufacturing.

Description : Corded fabric palm
TPR impact protection
Ventilated fabric shell
Knitted wrist.

Cold Environment Gloves : 03

Extra Grip

Thermal

Breathable

Water Proof

MS-CE-001

Application : Cold Environment, Landscaping, Box handling, Refrigeration Warehouses

Description : 40g 3M™ Thinsulate™ insulation
Waterproof breathable membrane Fleece outer shell
Palm reinforced with grip material patches
Hi Vis color ventilating Spandex shell
Elasticized cuff with adjustable closure

Water Repellent

Extra Grip

Wind Proof

Thermal

MS-CE-002

Application : Extreme cold environment, Landscaping, Box handling, Refrigeration Warehouses, Metal Handling

Description : 70g 3M™ Thinsulate™ insulation
Cowhide split-leather
Double leather palm and thumb patches
Snug nylon knitted cuff

Abrasion Resistant

Extra Grip

Thermal

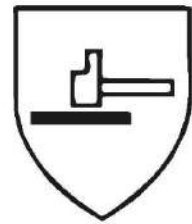

MS-CE-003

Application : Cold environment, General maintenance, Box handling, Refrigeration Warehouses, Metal Handling

Description : 40g 3M™ Thinsulate™ insulation
Synthetic leather palm reinforced with grip material patches
Reinforced thumb patch and index finger
Knuckle protection with foam padding
Neoprene long cuff for extra cushioning

Cut Resistant Gloves : 04

EN 388

Impact Resistant Gloves : 09

MS-IR-001

Application : Petrochemical, Oil and Gas field, Refineries, Demolition, Metal Handling

Description : Corded Cotton Palm
Reinforced thumb patch crotch
Thermo Plastic Rubbers ribs fingers, knuckles and backhand guards
Hi Vis color ventilating spandex shell
Snug nylon knit wrist cuff

MS-IR-002

Application : Petrochemical, Construction, Demolition, Manufacturing

Description : Synthetic leather palm with silicone pattern
Reinforced thumb crotch
Thermo Plastic Rubbers ribs fingers, knuckles and backhand guards
Hi Vis color ventilating spandex shell
Neoprene cuff for extra cushionin

EN 388

3 1 2 1

IO : Impact Resistant Gloves

MS-IR-003

Application : Refrigerated Warehouses, Cold Environment
Construction, Mining, Auto Repair

Description : 40g 3M™ Thinsulate™ insulation
Thermo Plastic Rubbers on fingers, knuckles and
backhand guards
Reinforced thumb patch
Synthetic leather palm with reinforcement of
grip material patches
Hi Vis color ventilating spandex shell and
Neoprene cuff

MS-IR-005

Application : Tools Handling, Mining, Demolition, Driving
Material and Box Handling

Description : Cow leather providing maximum durability and
strength
Thermo Plastic Rubbers on fingers, knuckles and
backhand guards
Foam padded Lycra fabric finger fourchettes
and ventilated spandex shell
Elasticized cuff

MS-MG-001

Description : Touch screen compatible index and thumb
Synthetic leather palm
Synthetic leather palm patches
Ventilating Spandex shell

MS-MG-010

Description : Synthetic leather palm
Synthetic leather palm patches
High-Vis ventilating Spandex shell

MS-MG-004

Description : Synthetic leather palm with Silicone pattern
Knuckle protection with foam padding
Spandex shell and elasticized wrist

MS-MG-008

Description : Open finger snug fitting design
Synthetic leather palm with grip patches
Knuckle protection with Neoprene padding
Reflective stripes

MS-MG-018

Application : Mechanics, Maintenance, Box handling.

Description : Synthetic leather Palm
Reinforced and padded palm
Protective Knuckle and fingers
Ventilated shell
Sweat absorbing thumb
Neoprene cuff

MS-MG-017

Application : Mechanics, Manufacturing, Box handling, Gardening.

Description : Synthetic Leather Palm
Anti slip Silicone pattern
Ventilated shell
Neoprene knuckle protection
Sweat absorbing fabric
Reflective stripes

MS-MG-019

Application : All purpose utility, Mechanics, Maintenance.

Description : Synthetic leather palm
Reinforcement covering finger tips and most wearing area of glove Neoprene knuckles protection
Ventilated shell
Reflective stripes

13 : Mechanics Gloves

MS-MG-003

Description : Synthetic leather palm with grip patches
Reinforced patch thumb and index finger
Strategically placed EVA rubber and foam
Neoprene outer shell and wrist
Reflective stripes

Description : General workers rigger gloves
Split Cowhide leather palm
Cotton canvas backhand
Extended leather fingertips and knuckle protector
Cotton foam lining Gunn cut pattern

16 : Work Wear Jackets

Two Tone Quilted Jacket

MS-WWJ-001

Description : Waterproof Oxford Fabric and sealed seams
Quilted lining is soft and warm
Ribbed cuffs and waistband
Front storm flap for easy opening
Front zipper mobile pocket and two hand warmer pockets
Internal zip pocket

Hi-Vis Soft Shell Jacket

MS-WWJ-002

Description : Wind and showerproof material
Outer soft shell and internal warm jersey fleece
Stretchable 3M™ reflector stripes
Mesh insulation
Adjustable Velcro cuff
Front zip opening with sealed seams
Front zipper pockets and internal pocket

Hi-Vis Drill Jacket

MS-WWJ-003

Description : Waterproof H-Vis Oxford fabric
Stretchable 3M™ reflector stripes
High neck collar
Soft fleece lining
Front buttoned flap closure
One mobile pocket and two side pockets

Two Tone Wet Weather Jacket

MS-WWJ-004

Description : Two tone waterproof Oxford fabric
Sealed seams
Internal quilted lining
Cuffs with Velcro closure
Stretchable 3M™ reflectors
Chest I.D tag
One pen pocket and two side pockets

Hi-Vis Water Proof Over Jacket

MS-WWJ-005

Description : Waterproof polyester fabric
Internal Mesh lining
Stretchable 3M™ reflectors
Front pockets with flaps and Velcro closure

18 : Work Wear

Drill Coton Vest

MS-WW-001

Description : Hi-Vis cotton drill vest with maximum breathability
Stretchable 3M™ reflectors
